We will modify the map accordingly and incorporate it into our revised map. (We will probably leave out some details. We will leave out #2,3,4 and could add the Fleet Week Parking area.

Hi Lorena -

Where do you plan on having this map? For regular days, this map looks fine. For Fleet Week, we don't want to advertise POC lots at all (#2,3,4) so that we don't impact their usual business. And yes, we'll be charging \$5 for parking. Good to know that Topaz will be available as well!

Good morning,

Here is the normal map that we've created showing the parking areas. This can be easily modified.

Note that it does not include the Topaz building. However, I am planning on having the Topaz parking available for Fleet Week. Are you going to charge \$5 for parking? I will do the same for the Topaz building. Do you want us to modify the map showing the official fleet week parking?
